

ATTENTION REAL ESTATE AGENTS!!!!

Don't assume that your clients know what to do when it comes to getting a house ready for showings. Even if they've sold before, it's often difficult for them to evaluate their own home or commercial property. That's where we will help.

Win your clients over by offering a complimentary consultation. We will offer tips, hints, thoughts and ideas for sprucing up, cleaning out, decorating, staging, creating a great first impression and making any space appealing to buyers. We also help buyers prepare for the move in.

1 hour consultation for \$175 anywhere in the valley. This includes a follow up letter with recommendations and notes regarding our visit.
